

# WESTERN REGION FEDERAL CREDIT UNION IS ANNOUNCING A NEW SERVICE FROM YOUR CREDIT UNION

## MOBILE BANKING WITH YOUR SMART PHONE

It's easy, convenient, safe and FREE

You can review your account, move money between your accounts, order a check and even pay your bills. It works the same as it does on your PC.

### If you are already using our credit union website:

Using your Smart Phone sign in to our website at [www.westernregionfcu.com](http://www.westernregionfcu.com). Choose the Mobile phone option and use the same sign in information that you use on your PC.

It is as simple as that. Now you will never have to worry about what your balance is when you are out shopping and no longer need to be at your PC to utilize this service.

### If you are not currently using our website, all you need to do is set up your account:

Go to [www.westernregionfcu.com](http://www.westernregionfcu.com) and click on Online sign up form. Complete the application and we will receive it at the credit union. Once we set up your account access you will receive an e-mail from the credit union letting you know that your account is ready to use. Once you are signed in, you will complete some security questions. It is important to make sure that you remember how you enter your answers originally. The system is space and case sensitive and if you do not answer them exactly as they were entered the first time, you will not be permitted to access your account.
